

THE HOLLISTON SEPAC AND PTSA  
PROUDLY PRESENT

**OVERCOMING LEARNING OBSTACLES:**  
**DISCUSSION ON ANXIETY**

Anxiety is defined as a state of uneasiness or tension caused by apprehension of possible future misfortune, danger, or worry. Symptoms of anxiety can sometimes be debilitating to a child's academic success. Please join our guest speaker for a focused discussion on practical solutions for parenting children with nervous tendencies or worry.
